

The CHS Honor Roll Lunch Program

The CHS Honor Roll Lunch program rewards students who have good semester grades by granting them the privilege of going off campus for an extended (one hour) lunch on the designated dates. The awards are:

Red = A's and B's for his/her final semester grades. Students are rewarded with 3 extended lunches per semester and are allowed to go off campus.

Gold = A's in ALL classes for his/her final semester grades. Students are rewarded with 6 extended lunches per semester and are allowed to go off campus.

The 2016 fall semester Honor Roll dates will be for 10th, 11th and 12th grade returning students and will be based on their final semester grades from the 2nd semester of last year (2016 spring semester). All new students to CHS, including freshmen, New Tech transfers and students new to CISD, will be eligible for the program for the 2017 spring semester dates based on their final semester grades from the 2016 fall semester.

Eligible students must have parent permission in order to be in the program. HONOR ROLL LUNCH PERMISSION IS ONLY AVAILABLE ONLINE. Parents may decide to give or deny permission by updating the CISD student registration system. Permission must be given even if the student is 18 or older. If you decline permission, but later change your mind, you must submit a request to pbecerra@coppellisd.com in order to change it. To be eligible for the fall semester, changes must be made by August 31 and the spring semester by February 1. NO LATE PERMISSION WILL BE ACCEPTED so please consider this if you decide not to give permission when registering your child.

Students must have both authorization from their parents/guardian AND be on the list of students with A's or A's and B's. Students will be required to show a valid picture ID (CHS student ID, CISD bus pass or a driver's license/permit) before they are allowed to leave campus.

Honor Roll Lunch Validation Days will be held each semester. During the Honor Roll Lunch Validation Days, students are responsible for checking the lists on the information board at CHS to see if their name is on the list of those qualifying for Honor Roll Lunch and confirm whether they have been given online permission from their parents/guardian. Fall Honor Roll Lunch Validation Days are September 7 - 8. Spring Validation Days are February 8 - 9.
